

## HAWAII BEAT PUNAHOU IN SPECTACULAR GAME

RIVAL FOOTBALL TEAMS OF COLLEGE AND ACADEMY PLAY  
CLEAN CONTEST AT ALEXANDER FIELD—EXCEL-  
LENT PLAYING ON BOTH SIDES

Hawaii 15, Punahou 13

In a whirlwind game from start to finish the College of Hawaii even won the Punahou Academy team yesterday afternoon in the last five minutes of play by a beautiful forward pass caught by Lee just over the goal line. From the spectators' standpoint a better game has not been seen on Alexander Field for a long time. There were thrills galore, and enough straight football and more open and modern playing to make the game interesting during every minute of the four periods. What the College of Hawaii could not do against the smooth running and well trained football machine of the Academy was compensated by her wonderful execution of the forward pass. Hawaii's first and second touchdowns were made by passes. The first, Brash to Starratt and the second, Brash to Lee. They with a safety secured in the second period gave the collegians the game.

### Was a Great Comeback

It was a great comeback for the Academy men when in the beginning of the second half the score stood 9 to 0 against them, and before the third period they had piled up two touchdowns making the score 13 to 9 in their favor.

The College of Hawaii can well pat themselves on the back for beating the Punahou eleven. Hawaii's captain, Austin, seemed to be in every play. If there was one star of the game it was he. If it was end-running line-plugging or defensive work, his red jersey was conspicuous in the middle of the pile. Correa for Punahou played extremely well. His end runs were a feature of the game, and both of Punahou's touchdowns were made by him. As fullback he was the mainstay of the secondary defense.

### Not Up to Standard

Brash's offensive game was not up to this standard, but he more than made up for it by his well executed forward passes, which virtually won the game for Hawaii. Hicks for the College proved his worth at center. His passing was excellent and his defensive playing above criticism. H. Pratt and John Gifford playing tackle for the College and Academy respectively were two of the best line men in the game, and it was nip and tuck between them during the whole game. Gordon Brown was as usually strong on the defensive and made many good gains through the line.

Hipa, Punahou's quarterback played the game of his life and ran his team without a hitch. His individual work was above par, especially on the defensive. Sanders at guard for the College was steady and proved himself a football player despite his inexperience.

### Lee Proved a Hero

Lee, at end, was the hero of the game when he caught the last forward pass resulting in a touchdown. He repeatedly broke up the Punahou plays that came his way.

This was the cleanest game of football played on a local gridiron for a long time. The absence of high and rough tackling, and the keen, but good natured rivalry displayed was a credit to the two institutions represented. All games in the future could well be modeled from the one played yesterday on Alexander Field.

No game is without its "if that had not happened." It is only fair to say that chance favored both teams yesterday. Punahou was without the services of Napahua for most of the game. Would the score have been different if this star was in the backfield for Punahou? If the referee had not decided that Austin pushed his man instead of making interference, which he thought he was doing; would Hawaii have gained another touchdown? If the ball had not gone over Correa's head, would there have been a safety or a tie score? However Hawaii did not win by flukes; it was her superiority in using the forward pass that brought victory to the Green and White.

### The Game in Detail

Punahou kicked off to the College. Austin ran for eight yards, Austin and Brash were held for no gain. The College suffered a fifteen-yard penalty for holding. Brown kicked to the forty-five yard line where Pratt downed Correa. Twice in succession Lee threw Napahua behind his own line. Punahou lost fifteen yards on a bad pass. Then followed a series of bucks and exchange of kicks, and the first period ended without any decided advantage gained for either side.

At the beginning of the second quarter Correa kicked to the College's Napahua recovered Hawaii's fumble. Hipa went through center for eight yards and Correa made first down. Three times Punahou bucked and failed. Then the Academy line gave way as Peterson tried to punt and the ball went to the College. Starratt took Napahua's place and on the next play, Brash threw a forward pass his way. Several Punahou men juggled it, but before the ball touched the ground Starratt had grabbed it and ran thirty-five yards for a touchdown. Austin kicked the goal. Score—Hawaii 7, Punahou 0.

College Kicked Off  
The College kicked off and Hipa returned the ball to the thirty-five yard line Punahou recovered a bad fumble. Hawaii stopped a forward pass. Punahou did not make a single successful

one in the game.) Correa kicked so the ball rolled over Hawaii's goal line. Austin gained twenty yards and was only prevented from making a clear shot by Bromley. Spencer gained a yard. Austin made first down. Brown kicked to Punahou's thirty-yard line. Punahou makes an incomplete pass. Starratt got Correa on a bad pass from the center. Correa recovered a second poorly passed ball. A safety was the result. Score—Hawaii 9, Punahou 0.

**Spectacular Finish**  
The last half was hotly contested. With the ball on their thirty-five yard line, Hawaii's race began down the field, using the forward pass. A forward pass, Brash to Ballentine netted ten yards. Austin failed to gain. A beautiful pass, Brash to Lee gained thirty yards. Brown gained three yards. Brash five yards, and on the fourth down, Brash tossed the ball to Lee who stood in the corner of the field and he fell over the line giving Hawaii her winning tally. Austin failed to kick the goal. Score—Hawaii 15, Punahou 13.

Just before the whistle blew Kauhane picked up a blocked dropkick and nearly had a touchdown. However he ran too close to the side line, and was off-side.

## CALIFORNIA CAPTURE INDOOR AQUATIC MEET

FRANK KRUGER DOES MORE THAN HIS SHARE TO BRING  
VICTORY TO CLUB—CAPTAINS DESERVE  
CREDIT FOR SUCCESS OF VENTURE

Members of the Young Men's Christian Association held their first indoor swimming meet at the pool of the association last night and for two hours, over 200 spectators, enjoyed the many events staged by the swimmers. Unfortunately it began raining shortly before the calling of the mermen to the mark for the 50-yard race and this had a tendency to keep the crowd down but what the crowd lacked in size, they made up in enthusiasm and it is only a matter of time when indoor swimming meets will become a regular thing in Honolulu.

Last night's contestants were divided into clubs as follows:

**CALIFORNIA**—Edgar Methven, captain; Frank Kruger, Frank Cunha, Wm. Lanquist, Paul Lemke, Wm. McAllister, Arthur Vierra, Wm. Rowat, Harold Hill, Douglas MacFie, J. Haglund, C. Benny, G. McTaggart and D. H. Lockwood.

Thirteen events were on the program, there being sprint swims, relay races, a tug of war, plunge for distance, an under water swim and apple relay among the events.

Frank Kruger was the individual star of the meet with thirteen points to his credit and from the fact that he swam in the sprints and all three relays. Pratt scored eight points and Holt six.

The California were highest point scorers with 48. H. A. C. followed with 25, New York was third with 16 and Washington fourth with 10. Much of credit for the success of the meet is due the respective captains of the teams.

## WILLARD LONGS FOR ROPED ARENA

Heavyweight Bruiser Anxious To  
Again Don Mitts and  
Gather in the Kale

**Associated Press by Federal Wireless.**  
NEW ORLEANS, November 1.—Jess Willard, champion heavyweight pugilist of the world, following his knock-out of Jack Johnson at Havana, Cuba last April, completed his contract with the 101 Wild West show here last night and immediately afterwards announced that he would devote his attention to pugilism.

Just who Willard has in mind as the logical candidate to meet him in the roped arena for the championship has not as yet been announced. Several weeks ago Willard hinted that he would leave the 101 Show and would be ready to fight any man in the world provided he got \$20,000 as his share of the money.

Jim Coffey and Frank Moran stood up as the most promising of the heavyweights next to Willard and when these two were matched, the champion stated he would fight the winner. Moran won by a knockout in three rounds and it is possible he will be the man selected to meet Willard. Gunboat Smith, who holds a decision over Willard is also after a match. Dominick Torrich, matchmaker of the Crescent City Athletic Club of this city has expressed himself as willing to offer a purse for Willard and Moran and a meeting of the parties interesting will probably be held today.

## FAMOUS PITCHER DIES AT CLEVELAND HOME

Billy Reidy, baseball twirler, who is credited with originating the slow ball, died at the home of his sister at Cleveland, October 14. While with Milwaukee he was managed by Connie Mack, Reidy developed the slow ball. He entered the major league with Cincinnati and was sold to Brooklyn. Later he went to the Oakland Club in the Pacific Coast League and finally became manager of the San Francisco team. On quitting baseball Reidy opened a roadhouse near Oakland, where many famous pugilists trained.

**WHAT THEY GATHERED**  
Bill Carrigan's Red Sox were well paid for their little mix-up with the Phillies, the regulars receiving the sum of \$3,250.00 each as their share of the gate receipts.

Twenty-two players shared equally in the money split, McNally, one of the eligibles, who was with the team only a short time, receiving a smaller sum than the others. Before the division was made the players took out McNally's share, also \$500 each from Billy, the club secretary, and for Green, the trainer, as well as certain gifts for other club attaches. The members of the team are to make testimonial gifts later to Bill Carrigan, the manager, and President Lanning.

The Philadelphia players' share of the world's series money was divided into twenty-four parts, and each of the twenty-three men eligible to participate in the series received a check for \$2,492.23.

The twenty-fourth share was divided into three parts, one of which went to Oeschler, the pitcher, who rejoined the Phillies in September, and the other two parts were divided among Mike Dee, the trainer, and several others.

## President Thankful For Peace Breach Avoided In Great War

PRESIDENT WILSON, in his proclamation designating Thursday, November 25, as Thanksgiving Day, called attention to the fact that the United States has been at peace while most of Europe has been at war. "We have been able to assert our rights and the rights of mankind without breach of friendship with the great nations with which we have had to deal," said the President. The text of the proclamation follows:

It has long been the honored custom of our people to turn in the fruitful autumn of the year in praise and thanksgiving to Almighty God for his many blessings and mercies to us as a Nation. The year that is now drawing to a close since we last observed our day of national thanksgiving has been, while a year of discipline because of the mighty forces of war and of changes which have disturbed the world, also a year of special blessing for us.

Another year of peace has been vouchsafed us; another year in which not only to take thought of our duty to ourselves and to mankind, but also to adjust ourselves to the many responsibilities thrust upon us by a war which has involved almost the whole of Europe. We have been able to assert our rights and the rights of mankind without breach of friendship with the great nations with whom we have had to deal, and while we have asserted rights, we have been able also to perform duties and exercise privileges of succor and helpfulness which should serve to demonstrate our desire to make the offices of friendship the means of truly disinterested and unselfish service.

Our ability to serve all who could avail themselves of our services in the midst of crisis has been increased by a gracious Providence by more and more abundant crops; our ample financial resources have enabled us to steady the markets of the world and facilitate necessary movement of commerce which the war might otherwise have rendered impossible, and our people have come more and more to a sober realization of the part they have been called upon to play in a time when all the world is shaken by unparalleled distresses and disasters.

The extraordinary circumstances of such a time have done much to quicken our national consciousness and deepen and confirm our confidence in the principle of peace and freedom by which we have always sought to be guided. Out of darkness and perplexities have come firmer counsels of policy and clearer perceptions of the essential welfare of the Nation. We have prospered while other people were at war, but our prosperity has been vouchsafed us, we believe, only that we might the better perform the functions which were rendered impossible for them to perform.

Now, therefore, I, Woodrow Wilson, President of the United States of America, do hereby designate Thursday, the twenty-fifth of November next as a day of thanksgiving and prayer, and invite the people throughout the land to cease from their wonted occupations, and in their several homes and places of worship render thanks to Almighty God. The remaining duties of my office I have heretounto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington this 20th day of October, in the year of our Lord one thousand nine hundred and fifteen, and of the Independence of the United States of America one hundred and fortieth.

By the President,  
ROBERT LANSING,  
Secretary of State.  
WOODROW WILSON.

## HILO CHAUFFER IS HELD BY GRAND JURY

HILO, October 30.—The grand jury returned an indictment Wednesday against William Low, the automobile driver, on two statutory charges. The action grew out of an alleged attempt by Low and another man to criminally assault two women ten days before.

The women's story is that they got into the car driven by Low, thinking it was a rent machine and ordered him to take them to town. Instead, he took them to a place on the road leading to the slaughter house near Eight Mile, Olan, and then attempted the assault. The women escaped and caught another car returning along the main highway from the seafano, and rode back to Hilo, where they reported the affair to the authorities.

Another brutal assault has been reported in the Honokaa district and in consequence the grand jury returned an indictment Wednesday against Benedra Garcia, a Porto Rican. The man is alleged to have criminally assaulted a four-year old Porto Rican girl. Garcia was arrested Monday and brought to Hilo. His case is to be tried at the present session of the circuit court.

Mounted Patrolman A. Ludloff was  
run down by a party of joy-riders on  
King street on Friday night and sus-  
tained injuries to his hip.

Shortly after seven o'clock Mounted  
Patrolman Morahan, Kealoa and Lud-  
loff, were riding out on beat along  
King street. When just on the town  
side of the Catholic cemetery, Morahan  
heard a woman laughing behind  
them. He turned and saw an automo-  
bile about five feet behind Ludloff,  
and travelling between fifteen and  
twenty miles an hour.

Morahan shouted to Ludloff to jump  
to one side, but before he could do  
so the automobile had struck his horse,  
knocking it on its haunches and caus-  
ing Ludloff to be thrown.

The automobile sped away, pursued  
by Morahan and Kealoa who were,  
however, unable to bring it to a stand-  
still. The number of the car, 730, was  
ascertained.

The car is usually driven by Manuel  
Jones, a chauffeur on the Punahou  
stand. Jones states that he gave the  
car to another man to drive last night.
